

Medication Guidelines:

- Prescription or non-prescription medicines must be brought to clinic upon students arrival at school.
- Medications must be in original, properly labeled container.
- Medication must have written request and details from parents for giving medication.
- NO loose pills or unlabeled medicines will be given to students under any circumstances.
- Tylenol, Advil, etc. are not given unless above guidelines are followed.

The clinic does not have these medications for students (in accordance with State Law).

Please contact the school nurse with any questions you may have.
