

A Simple and Secure Way to Safeguard Your Child's Shot Record

Safeguard your records:

You can register your baby at birth, or at the next visit for vaccinations.
Registration forms available on our website www.collincountytx.gov

Save Time:

Easily transfer records between schools and doctors.
Avoid unnecessary shots.
Replace damaged or lost paper records.

To ensure your child is in ImmTrac or to enroll, please contact Collin County Health Department's ImmTrac Specialist – Jennifer Blankenship at jblankenship@co.collin.tx.us
